

# MOM MONYCHAN

Computer Science Student

## About Me

I am a second-year Information Technology student with strong interests in software development, database management, web development, and networking. I have experience developing applications using Django, ReactJS, Python, PostgreSQL, and Cisco networking technologies. I am passionate about learning new technologies and solving real-world problems through software solutions.

## Skills

- Python Programming
- Django Framework
- PostgreSQL
- Database Design
- Data Structures & Algorithms
- Networking & Cisco
- Git & GitHub
- Problem Solving
- Team Collaboration

## Language

- Khmer (Native)
- English (Intermediate)

## Education

### (2024 - Present)

#### WESTERN UNIVERSITY (WU)

Bachelor of Information Technology

- Current Year: Year 3
- Major: Information Technology

### (2023 - 2024)

#### CHBAR AMPOV HIGHSCHOOL

- Successfully completed Upper Secondary Education
- Passed National High School Examination

### (2022 - 2024)

#### ACE (AUSTRALIAN CENTRE FOR EDUCATION)

- English Program Graduate
- Successfully completed English language studies

## Experience

### STUDENT SOFTWARE DEVELOPER

- Developed web applications using Django and ReactJS.
- Designed databases using PostgreSQL and SQLite.
- Implemented CRUD operations and authentication systems.
- Collaborated with team members on academic projects.
- Applied Git and GitHub for version control.

## Interests

- Technology Research
